Dear parents,

I have been aware of a huge amount of kindness and caring buzzing around the school this week. Today we have been celebrating Mental Health & Wellbeing day - a huge thank you to Mrs Curtis for organising the Mental Health & Wellbeing this.

Mental Health & Wellbeing Day

A message from Mrs Curtis, our Wellbeing Champion 'As I did the mental health day today with class4, I took some photos of them using the air dry clay. They had to think and create something small to cup in their hands, something they would have to care or nurture.

Here are some of the children's comments:

"I just feel so close to my class as if we are a family and I am very grateful for all my kind generous, funny, smart friends. Thank you".

"We have had mishaps and ups and downs but we make it through with the help if friends and in the end we come out smiling again. You are extremely funny and I'm glad we're friends. You are an amazing person"

"You are extremely cheeky, energetic, generous and funny which is why you are my friend."

Everyone thought that each other was kind , helpful and supportive.

Virtual Assembly

We are planning to video a virtual assembly for parents before the end of this half term – more information to follow!

School Photographs

The school photographer will be in on Wednesday to take individual portrait photographs of your child(ren). If your child will be doing Forest School and normally wears own clothes for this, you are welcome to send your child to school in their uniform but with a bag of own clothes to change into afterwards.

Reminder

Please remember that we have 2 INSET days at the end of this term - Thursday October 22nd and Friday October 23rd. . .so our last day at school will be Wednesday October 21st. All staff were going to be attending the Eden Project for a mass conference – this will now be held online.

A very short newsletter this week!

Many thanks – hope we get some sunshine this weekend

Best wishes,

Sally Berry
