St Wenn School Charging & Remissions Policy

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

Responsibilities

The Governing Body of the school are responsible for determining the content of this policy and the Head teacher for implementation. Any determination with respect to individual parents will be considered jointly by the Head teacher and Governing Body.

- Entry for a prescribed public examination, if the pupil has been prepared for it at the school.
- Examination re sits if the pupil is being prepared for the re sit at the school.
- Education provided on any trip that takes place during school hours.
- Education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.

- Examination fees where a pupil fails without good reason to sit the exam
- Breakages and replacements as a result of damages caused wilfully or negligently by pupils
- Damage/vandalism/loss to and of school property

Remission

No remissions apply to the above charges

Voluntary Contributions

Parents will be invited to make a voluntary contribution for the following;

- Board and lodging on residential visits (not to exceed the costs)
- The proportionate costs for an individual child of activities wholly or mainly outside school hours ('optional extras') to meet the costs for;
 - o Travel
 - o Materials and equipment
 - o Non-teaching staff costs
 - o Entrance fees
 - o Insurance costs
- Vocal and musical instrument tuition.
- Any other education, transport or examinations where no further preparation has been provided by the school
- Any other education, transport or examination fee unless charges are specifically prohibited
- Extra-curricular activities and schoolclubs
- Any extended school activity

The terms of any request made to parents will specify that it is a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents;

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request
- c) If the activity cannot be funded without voluntary contribution, the governing body or Head teacher must make this clear to parents at the outset. An initial letter should explain the nature of the proposed activity and its likely educational value. It should then indicate the contribution per pupil which is required for the activity to take place. It should emphasise that there is no obligation to contribute and that no pupil will be omitted from the activity because his/ her parent/carer are unwilling or unable to contribute, but it should be made equally clear that the activity will not take place if parents are reluctant to support it.

The responsibility for determining the level of voluntary contribution is delegated to the Head teacher.

All contributions will be used to offset the cost of the activity or event

School Clubs

The governing body delegates the responsibility to set a charge for clubs to the Head teacher
