NEWSLETTER 3

Friday 18th September 2020

School focuses for this term:

British values: Mutual Respect

Learning Power – Taking Responsibility

PLEASE MAKE SURE THAT YOU EMAIL OR CALL INTO SCHOOL TO TELL US IF YOUR CHILD HAS A CHANGE TO NORMAL PICK UP.

Nit alert: We have already had one bad case of nits since returning... please be vigilant so that we can continue keeping our school relatively nit free. Thank you.

Weekly attendance: Seahorses: 100.0% Turtles: 93.3% Dolphins: 93.0%

Pelicans: 86.0%

Autumn Term Overall attendance: 90.96%

Dear parents,

Our drop off and pick up arrangements are now working well; however, we do obviously have a mixture of children and vehicles in the car park. We would therefore ask that you remain stationary in your car, only leaving the car park when all children have been safely transferred to their parent or carers. Thank you.

We held our first virtual whole school assembly on Monday through Microsoft Teams with classes remaining in Bubbles but joining together through the interactive whiteboard. After a few teething problems were resolved this worked brilliantly and we were all very excited about being together again.

These assemblies will take place fortnightly and the parents of those children awarded certificates will also be receiving a personal congratulation by email from me.

Courtyard Project...and a request!

We have nearly completed the first stage of our courtyard project but now need compost and a willing gardener to come and fill the planters with colour!!

If you can help in any way, please call or drop me an email. Thank you!

Fruit – a reminder!

We supply free fruit for all children at playtimes. This is thoroughly washed and distributed to each class at the beginning of the day.

MUD KITCHEN

Our mud kitchen is looking very tired – if you have an old play kitchen which may serve the purpose by replacing the old one we have at the bottom of the field, please drop me email.

Thank you!

'This week we've been studying the artist John Dyer and investigating his use of colour in his depictions of the rainforest. Here, we are creating colour wheels to help develop our understanding of colour.' CFoley

With best wishes

Sally Berry
