NEWSLETTER I

Friday 12th March 2021

School focuses for this term:

British values: Understanding Democracy

Learning Power: Reasoning

Weekly attendance: Seahorses: 100.0% Turtles: 100.0% Dolphins: 98.0% Pelicans: 97.1%
Spring Term Overall attendance: 99.4%

Dear parents,

It is like a leap into the past writing a newsletter again – a lovely touch of normality!

St Wenn School has burst back into life with characteristic exuberance and we are all so delighted to be together again.

Residentials:

We are really keen that the older children enjoy the experience of a residential this year and are hoping to book up again with BF Adventures in Penryn, Falmouth. I plan to get down there myself this weekend to talk with the staff and do a thorough check on their COVID procedures; following that we will be holding information sessions through Showbie – Y5/6 led by Mrs Foley and Y3/4 by Mr Beer. I will be present at both to talk through and answer questions regarding safety and risk assessments. Dates to follow.

Progress meetings and Parent Evenings:

Pupil Progress meetings will be held with class teachers and myself the week beginning April 19th, and Parent Evenings (through Showbie) will follow these the week beginning April 26th – more information to follow.

Clubs:

Due to Progress meetings and Parent evenings, our summer term start for clubs will be delayed until week beginning May 3rd. Apologies for this delay but we are sure you will understand the importance of the extra time put aside for these meetings due to our current situation.

With best wishes

Sally Berry

INSET DAYS FOR YOUR DIARY:

June Friday June 11th and Friday July 23rd.
