Dear parents,

We are getting to grips with our whole school Achievers' Assemblies on Microsoft Teams now. The children are loving seeing older and younger siblings and friends across the school – albeit virtually!!

Car park

The Parish Council have kindly offered their help in monitoring safety in the car park during school drop off and pick up times.

We are reviewing staggered timings at half term – any observations/comments regarding this welcome.

Birthday Cakes

Children are more than welcome to bring in a cake to celebrate their birthday – please make sure this is shop bought and sealed when brought into school.

Teachers will then slice and distribute safely. Please no nuts or sweets – we are still a healthy school!

Dress in yellow for Mental health and Wellbeing - Friday October 9th

Children are invited to wear anything yellow to school on Friday October 9th.

This is in support of mental health and wellbeing – we will be planning activities around this topic throughout that day.

More information from Mrs Curtis is attached.

Film Day – Wednesday October 21st – (last school day before Half Term break)

Children (and staff) are invited to come to school in their pyjamas – each bubble will be watching an age appropriate film on the theme of 'Explorers'.

A donation of £1 towards our current project 'Enhanced outdoor learning' would be very welcome - we are saving up to extend the scope and variety of our outdoor maths games.
