### DELTA VARIANT OF COVID 19

We have been informed that the symptoms of this variant are slightly different from the original COVID symptoms with a headache, sore throat and runny nose now the most commonly reported.

### Dear parents,

What fabulous children we have at our school!

For a variety of COVID related reasons, we have had to make numerous last minute changes in staffing over this week, but all has run smoothly and the children have embraced the changes with confidence and energy (something St Wenn children are NEVER short of!).

During this tricky time, our wonderful team have all offered to help out in whatever way they could without hesitation. Hopefully everyone will be returning next week but this experience has certainly shown us how absolutely correct we have been to have steered a cautious course through round 3 of this pandemic; an increasing number of local schools are currently having to close bubbles while we are still able to go ahead with our residential, and still plan to invite related parents to our Year 6 Leavers' afternoon.

### Residential

A huge good luck message to our wonderful Pelicans and Dolphins as they head off on their residential to Penryn on Monday; we are SO pleased that we are able to go ahead with this and I know how excited they are! I will be down there on Tuesday.

### Sports Day

We have a fantastic day planned for the children's Sports Day on July 12<sup>th</sup>, including iced lollies! New equipment ordered and excited children...

## Reports

These are due out to parents on Friday July 16<sup>th</sup>. If you would like to discuss any outcomes of these/progress or a general catch up, please contact your child's class teacher to arrange a time.

## Smoking in the car park

Although the car park is a public place, we would really appreciate it if parents could avoid smoking when waiting to pick up children.

Thank you

Hope the sun shines over the weekend!
